- Other factors which will be taken into account in determining priority for available spaces will include the number of hours needed each week, whether the child is a returning child, has siblings in the program, and the order in which applications are submitted.
- Please mark the time blocks for each day that you would like your child to attend.
- For each time block, count the number of days you are using and carry the rate down into the "Totals" column.
- Sibling discount should only be applied to the 2<sup>nd</sup> and 3<sup>rd</sup> (etc.) child(ren) using the fewer number of hours.
