

Husky House Happenings

It seems impossible that another school year is coming to an end and Summer Camp is fast approaching – where does the time go?! We have been honored to watch your children grow, play & learn this year and we hope to continue to be a part of your wonderful Happy Valley memories. Husky House would not be what it is without the support and participation of each and every wonderful family. THANK YOU to all for your kindness and generosity.

With so many end of year events coming up (both for Husky House AND for Happy Valley) we felt it might be helpful to have a calendar to post at home illustrating all of the events in the coming weeks! Please remember to let us know of any cancelled days for your child.

Registration for the 2015-2016 school year is now open. The \$75 Materials Fee & one month's tuition are due by June 5th but, please get those forms in now – space is limited!

We hope you can make it to our **25th Anniversary and End of Year Party** on Friday, May 29th

Odds and Ends

Please turn in your sunscreen permission forms! It's HOT out there! Also on that note, on particularly hot days prior to the end of the school year, we may be offering some low-key water play options. Children will be directed to keep their clothes from becoming soaking wet, however, if you do NOT wish for your child to participate – please notify us in writing. Thank you.

Outstanding School Year Balances DUE: As we are at the end of the school year, it is important for all families to pay their balances before we head into summer. We will issue any final statements ONLY to those families that have remaining balances after May. Thank you for your attention to this!

We are hoping that all of our families will be with us for some or ALL of Summer Camp! If you do not yet have a plan to join us, check in with us over summer for a drop in day or two. You can even register at any point over summer, space allowing. Give us a call!

Have a Safe, Happy Summer!

Don't forget to turn in School Year Registrations – space is limited!
