

# Husky House Kindergarten Readiness Summer Camp

**Graphic Novel Themes, Field Trips and More**  
**June 11 - August 10, core timing 9:00-3:00**

**extended morning and afternoon care available - see registration form for information**

“Husky Pups” have special pull-out programs tailor-made for the developmental stage and academic needs of incoming kindergarteners. Kindergarten Readiness Summer Camp is designed to acclimate “Husky Pups,” to the Happy Valley Campus through fun activities and daily practice of Kindergarten skills. Our program provides an opportunity to form friendships with future classmates and become accustomed to Husky House’s facility, routine, and teachers as we prepare the students for the unique demands of a kindergarten classroom environment. Our flexible scheduling allows you to design your child’s experience to meet your unique needs.

## **Graphic Novel Themes**

Literacy skills are reinforced through storytelling, writing and reading. Weekly themes based on thoughtfully selected children’s graphic novels weave connections for children to explore and create.

## **Tuesday Visitors**

Every Tuesday we will have visitors from outside enrichment such as Happily Ever Laughter or Mad Science or All Fired Up to entertain, teach and create with us.

## **Wednesday Off-site Field Trips**

Children wear their camp shirts every Wednesday. Our off-site field trips include transportation (yellow school bus!) and lunch (see attached flyers).

## **Thursday Added Enrichment**

Thursdays we will have in-house visitors from Husky House and Happy Valley Elementary along with inflatable jumps or water play.

### **Husky Pups**

**TKs and Ks**

**Husky Pups have a separate program, dedicated teachers, and a focus on Kindergarten Readiness.**

### **Huskies**

**grades 1-5**

**All campers are welcome to enjoy all the summer fun they can expect from Husky House summer camp.**

### **Wolf Pack**

**ages 10 to 12**

**The Wolf Pack will have additional Life Skills Activities that include topics like safety, health, home skills, money management and resilience.**

**925-283-7100**

# Kindergarten Readiness Summer Camp at Husky House

Is your child ready to make the developmental leap into school this August? Are they feeling a little apprehensive about the new start? Help your child feel more comfortable, put your mind at ease and enroll your soon-to-be TK or Kindergartener in the Husky House Kindergarten Readiness Camp. At Husky House, TKs and Kindergarteners have their own designation as “**Husky Pups**” and specific teachers knowledgeable in this particular developmental stage.

One of the greatest challenges of a young child’s life is the transition from preschool into an elementary school environment. The summer marks the end of an era and the beginning of their new relationship with learning. Many aspects of kindergarten are new for your child. The school is bigger, there is more time sitting at a table, more focus on letters and numbers, more time involved with handwriting, more time listening and a lot more structure. The days are longer and there is often more independence required.

Kinder Readiness Summer Camp is designed to acclimate the incoming **Husky Pups** to the Happy Valley Campus and their kindergarten playground. We provide the opportunity to form friendships with future classmates, and become accustomed to the Husky House facility, routine and teachers as we prepare the students for the unique demands of a kindergarten classroom environment.

Our focus is on:

- providing students enriching problem-solving skills to boost self-efficacy and independence
- fostering social and communication skills through games and instructional activities
- promoting body awareness through creative play and movement
- building the skills needed for the first day of school and beyond
- affirming the love of learning

With our flexible scheduling you can design your child’s experience to meet your unique needs.

Full-week enrollment is encouraged to build stronger, lasting skills. Our Core Timing, 9:00am-3:00pm includes all of our prosocial enrichment, special visitors, inflatables, field trips and other age-appropriate lesson plans. Extended morning care hours (7:30-9:00) and extended afternoon care hours (3:00-6:00) are available to add to your weekly schedule. For those families who cannot participate in full-weeks, customization with daily registration is an option. However, after date submitted, priority is given to those families using weekly registration.

## Program Goals

1. To lay a foundation for school-ready literacy and math skills
2. To encourage children to learn with and from each other
3. Develop attention and listening skills
4. Socialize and communicate
5. Enjoy learning through play

Kindergarten is a big step for parents and children. At Husky House, we're committed to helping you and your family start on the right foot.

# Kinder Theme Books 2018

For our summer program this year we have a new selection of nine graphic novels that speak directly to school troubles and problem solving.

Note: for more information on the benefits of graphic novels and comics for children's literacy please see our informational sheet on theme books for the older campers.

## **Week 1, June 11 - 15**

The Lost Lunch by Lori Mortensen

When Andrew's lunch goes missing, he is left sad and hungry. With the help of his friend Dylan, the search for the lost lunch begins!

This book was selected for its lessons on responsibility, organization, and problem-solving.

## **Week 2, June 18 - 22**

First Day, No Way! by Lori Mortensen

Kaylee and Jenna have always been in the same class - until this year. Without Jenna by her side, Kaylee has a bad case of the first day blues. Will anything, or anyone cheer her up?

This book was selected for its lessons on independence, resiliency and forming new friendships.

## **Week 3, June 25 - 29**

The Missing Monster Card by Lori Mortensen

Ethan can't wait to show Zack his new Monster Card. But when Ethan can't find the new card, the search for the missing Monster Card begins.

This story was chosen for its focus on critical thinking, idea- and solution-generation, and sequencing.

## **Week 4, July 2 - 6**

The Cat That Disappeared by Lori Mortensen

The pet show is about to start, and Ava can't find her cat. It's time to do some detective work. Ava, Clair and Caleb are on the case.

This book was chosen for its lessons on creative thinking, collaboration and emotional self-regulation.

### **Week 5, July 9 - 13**

Bus Ride Bully by Cari Meister

Gavin hates riding the bus. Max, the bus bully, is always picking on him. But when Max is gone for a few days, Gavin starts to worry. Does Gavin actually miss the bus bully?

This book was chosen for its lessons on conflict resolution, empathy and friendship.

### **Week 6, July 16 - 20**

The Amazing Crafty Cat by Charise Harper

Sometimes school can be scary and even embarrassing, but not today. Today is Birdie's birthday, and everything will be perfect! Birdie's panda-riffic cupcakes are beautiful, and there's one for everyone. But then . . . disaster! A trip and fall on the way to school means no more cupcakes! Who can save the day? Who can make the class smile again? This is a job for Birdie's alter ego . . . the Amazing Crafty Cat!

This book was included for its focus on creativity, optimism, and confidence.

### **Week 7, July 23 - 27**

Clues in the Attic by Cari Meister

Ben lost something that belongs to his sister, and he has to find it. Even though he's scared, he has to go into the attic to find what's missing.

This book was included for its focus on courage, honesty, and trustworthiness.

### **Week 8, July 30 - August 3**

Morning Mystery by Christianne C. Jones

Brynn is having a bad morning. From soggy slippers to extra messy toothpaste, something strange is going on. Will Brynn solve her morning mystery?

This book was selected for its focus on patience, scientific questioning and ordered-thinking,

### **Week 9, August 6 - 10**

Shark in the Library! by Cari Meister

Noah is thrilled when the week's library theme is sea creatures. But when Noah can't find the stuffed shark, he is disappointed. Noah knows there is a shark in the library and he is going to find it!

This book was selected for its focus on resiliency, determination, and dealing with disappointment.

Dear Parents:

The center your child attends has chosen **Rocky Mountain Sunscreen** (RMS) to protect your child against the harmful effects of the UV radiation from the sun. RMS proudly provides sunscreen to over 2000 centers, camps and schools each year.

Our sunscreen meets all the new 2012 FDA Final Rule testing standards for Broad Spectrum (UVA/UVB) protection and Water Resistance (80 minutes). When used as directed, RMS reduces the risk of skin cancer and early skin aging. To read more on the FDA Final Rule, please visit [www.rmsunscreen.com](http://www.rmsunscreen.com) and click on FDA New 2012 Regulations under "more information" in the left-hand menu.

*Rocky Mountain Sunscreen is moisturizing, hypoallergenic, non-comedogenic, and free of:*

- Fragrance
- Gluten
- Nut Oil
- PABA
- Carbohydrates
- Casein
- Corn Products
- Sugars
- Soy
- And best of all, it applies easily and feels good on the skin.

Please remember, the American Academy of Dermatology states that just one severe, blistering sunburn can double your child's chances of getting skin cancer in their lifetime. At Rocky Mountain Sunscreen, we are committed to reducing the UV exposure of your child.

If you have questions about any of our products, please feel free to contact us at [info@rmsunscreen.com](mailto:info@rmsunscreen.com) or by calling toll free 1-888-356-8899.

Sincerely,

David C Erickson

# 2018 Off-site Field Trip Information

We have nine fun, off-site field trip days planned for this summer! Each trip takes place on a Wednesday and costs an additional \$45 per child and includes all **transportation, lunch and entrance fees**. Your child's safety is our paramount concern; we keep a ratio of 1 teacher per 7 children or better - no matter the trip! We will take a chartered bus to each of our destinations. For safety, we require that children wear their camp shirt for each trip. We will place an informational flyer (explaining what to bring, what to wear etc.) in your Family File one week prior to the trip date.

*NOTE: All campers attending on Wednesdays go on the trip – there is no stay back option*

## **WEDNESDAY, JUNE 13 to Walnut Creek**

### **For all campers: Heather Farms Park**

- Our first trip of the summer is close to home. We will ride the school bus to Heather Farm Park where our campers will have a chance to run and play. We will also receive lessons in the Natural Science Classroom in The Gardens. Our older campers will be Nature Detectives, sharpening their observation skills to become super sleuths. The younger campers will be led through a sensory exploration of the garden, investigating how the different characteristics of plants help them survive.

## **WEDNESDAY, JUNE 20 to San Ramon**

### **For Husky Pups (TK and K): Studio Grow**

### **For Huskies and Wolf Pack (1st grade and older): Incredibles 2 at Blackhawk Cinema**

- Studio Grow is the perfect field trip for our Husky Pups. In an environment that is both familiar and similar to a kindergarten room, Husky Pups will participate in a range of fun, educational activities that stretch and build their classroom skills.
- This field trip for Huskies and Wolf Pack will be a fun summer excursion to the movies. What a great opportunity to take in a movie with your friends!

## **WEDNESDAY, JUNE 27 to San Ramon**

### **For all campers: Blackhawk Museum**

- "The mission of the Blackhawk Museum is to stimulate interest and understanding of art, culture, and history. Through exhibitions and programming we engage, educate, and inspire." Our campers will receive docent-led tours through the Automotive Gallery and Spirit of the West exhibits.

## **WEDNESDAY, JULY 4 - Husky House Closed for Holiday**

## **WEDNESDAY, JULY 11 to Livermore**

### **For Husky Pups through 2nd grade: Lost Worlds**

### **For 3rd grade and older: Boomers**

- Lost Worlds is a dinosaur themed, indoor family fun center in Livermore. Lost Worlds boasts the largest indoor play structure in Northern California with a variety of slides, a foam pit, ball pit and trampoline. A round of black-light mini golf is available for interested campers.
- Older campers will be headed to Boomers where they can play a round of mini golf, ride bumper boats, or play in the arcade.

## **WEDNESDAY, JULY 18 to Berkeley**

### **For all campers: Shorebird Park and Adventure Playground**

- Campers will begin at Shorebird Park for some time to run, climb, and play. Then we step right over to adjoining Adventure Playground. Adventure Playground “is a wonderfully unique outdoor facility where staff encourage children to play and build creatively. Adventure Playground creates opportunities for children to learn cooperation, meet physical challenges and gain self confidence.”

## **WEDNESDAY, JULY 25 to Berkeley**

### **For all campers: Lawrence Hall of Science**

- The Lawrence Hall of Science is “the country’s only science center that is part of a top-tier, public research university. This distinctive affiliation allows the Hall to partner with world-class scientists, engineers, educational leaders, and teachers, with the goal of developing and disseminating the most innovative and effective science, technology, engineering, and mathematics (STEM) programs available today.”

## **WEDNESDAY, AUGUST 1 to Pleasant Hill/Concord**

### **For all campers: Larkey Park and Sky High**

- Larkey park offers great climbing structures and lots of room to run and play games with fellow campers.
- Sky High is an indoor trampoline park where children can bounce, slam dunk, play dodgeball and dive into a foam pit.

## **WEDNESDAY, AUGUST 8 to Alameda**

### **For all campers: Crab Cove Regional Park**

- At Crab Cove our campers will have outdoor naturalist-led programs on Creatures of the Bay. In the visitor center our campers will get to see Bay creatures in an aquarium, use microscopes, learn about crabs and lug worms, and see “amazing depictions of the underwater world of San Francisco Bay.”
