Friday, Nov. 10th Husky House is **CLOSED**

Monday, Nov. 20th- Wednesday, Nov. 22nd Party Days

Please sign up through your Eleyo accounts. The deadline for this sign up is 10/30. Please note that all Party Days are subject to cancellation due to staffing and enrollment.

Thursday, Nov. 23rd-Friday Nov. 24th Husky House is **CLOSED**

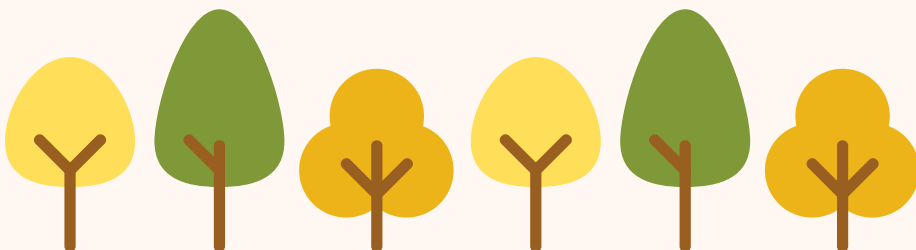

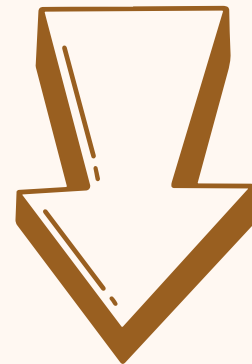

Signing Up for Party Days/ Non-School Days

Signing up for Party Days/ Non-School Days can all be done through your Eleyo account by signing in and clicking the “Eplore All Programs” tab, then “View All”, then “Catalogues” under the 2023-2024 School Year, then the “Party Days” section will be available for selecting any party days to enroll for the whole 2023-2024 school year. This will give us a pending date/s for us to process. If the deadline has passed in the Eleyo system and you would like to inquire about availability or if you have any questions, please email us directly and we will be happy to help! Thank you for learning this new system with us!

Husky Pup October Themes

The Husky Pup (TK/K) themes for this month are Polar Biome and Friendship.

We will learn about where the polar regions are located on the globe, what type of animals live there, and the climate.

Our social theme is Friendship.

Building friendships will help children develop important life skills such as how to work together as a team, the practice of problem solving, and more. We will continue to work together through our daily dramatic play and while taking turns at centers to help build these connections. During circle times, we will provide opportunities to discuss the importance of positive friendships.

Some exciting activities for the Pup group this month:

- "Snow" Making
- Cooking Project: Friendship Soup
- Polar Puppets and more!

Husky (1st-5th) Happenings

The 1st-5th group continue to find opportunities to build connections within the Husky House community through group activities, fun games, silly conversations, and more!

STEAM activities are always a hit with the Huskies. We are able to explore our environments and experiment using the scientific method in a safe teamwork setting.

Reflection, identity, family history, and discovering similarities and differences amongst our peers and members of our community will be some of our focuses for this month.

Some exciting October activities for the 1st-5th graders:

- Top Dog Cooking Project: Homemade Pesto (no nuts) Pasta with Darcy
- Family crests and collages with Sara- Please bring/email some family photos to share
- Group Games: Cone Guardian & Foot Golf
- Macramé Creations
- Dramatic Play: Nail Salon
