

Spanish Language Cooking at Husky House for TK & Kindergarteners

Spanish language classes led by an experienced teacher! This Spanish enrichment class will take the most popular Central and South American songs, games and foods and incorporate them into a hands-on learning experience designed specifically for this age. Children will build on worlds they already know, learn new ones on the way, and also learn phrases for daily use. A CD of songs will be sent home with the children from their first class for learning continuation at home, and so they may familiarize the songs. Every child will also make their own "Latin Kitchen" recipe book from what they learned in this Spanish language cooking series. Maximum 12 students.
