<p>Experiment and build while learning about science concepts and methods.</p> <p>Participate in yoga and balance challenges, dance parties and other activities to get your body moving!</p>	<p>Learn the mechanics of familiar objects through dabbling, de- and re-constructing.</p> 	<p>We may have <u>W</u>ander on short <u>w</u>alking, <u>W</u>acky messy art, and <u>W</u>onder at the awesomeness of our planet through nature science!</p>	<p>We focus on citizenship and community through service learning.</p> 	<p>Friday is all about imagination! Employing dramatic play, storytelling, and creativity, we learn about the world around us and tell our own stories.</p> <p><b>Snack &amp; a Show</b> <b>12:45 - 2:15</b> Putting on a play or putting on a show</p>

9:00 – 9:45

**Morning Welcome, Room Meeting & Snack Available**

Children can enjoy a healthy snack while hearing about the “happenings” for the day!

9:45 – 11:30

**Morning Activity Time**

11:30 – 12:00

**Lunchtime – NO NUTS or heat ups!** Send a lunch from home everyday.

12:00 – 12:45

**Paws on a Good Book, Individual Reading, Storytelling and Quiet Art** – Children have independent, silent reading time with books they bring from home.

12:45 – 2:15

**Midday Activity Time** - Choices may include art, science, crafts, cooking, outdoor exploration and/or group games.

2:15 – 3:00

**Daily Wrap-up & Snack Available** – Snack includes healthy choices from at least two food groups.

Water play may happen every day. Please send your child with a swimsuit, watershoes and towel daily. We have found that even those children who say they do not wish to participate in water fun, change their minds when they see their friends splashing around.

**PLEASE NOTE:**

We understand that circumstances beyond our control may alter the plan of operation for our summer camp. Some potential adjustments may be the dates of summer camp, activities offered or hours of operation. If or when these changes are made, we will inform all participants as soon as possible.
