

Husky House, Inc.

Sunscreen Permission Form

Name of Child(ren): _____ Date: _____

Here at Husky House, we ask that you apply sunscreen to your child(ren) before their arrival to camp and ask that **you send them with sunscreen for use throughout the day**. We will keep a supply of Rocky Mountain Sunscreen SPF 30 on hand for back-up use. (ingredient list is posted in the main room)

Any alternate sunscreen provided by the family needs to be labeled with the child's name and stored by Husky House in a designated cabinet.

As the parent/guardian of the above child, I recognize that too much sunlight may increase my child's risk for skin cancer later in life. Therefore, I give permission for the staff at Husky House to apply Rocky Mountain Sunscreen SPF 30 to my child, as specified below, when he/she will be playing outside, especially during the months of April through September and between the hours of 10:00am and 4:00pm.

I understand that sunscreen may be applied to exposed skin, including but not limited to the face (except eyelids), tops of ears, nose, bare shoulders, arms and legs. I have checked below all applicable information regarding the type and use of sunscreen for my child.

I have consulted with my child's physician and do not know of any allergies or allergic reactions my child may have to Rocky Mountain Sunscreen SPF 30.

I give permission to Husky House Staff to apply Rocky Mountain Sunscreen SPF 30 to my child as described above.

My child may apply Rocky Mountain Sunscreen SPF 30 to themselves while under the direct supervision of Husky House employees.

My child is allergic to some sunscreens. My child may ONLY use the brand/type of sunscreen I provide.

My child may apply their own sunscreen while under the direct supervision of Husky House employees.

NO. For medical or other reasons, do NOT apply sunscreen to my child.
